

The self-declarations for deliveries of brown grease/grease trap fat on this page are a valid part of the contract between SOS Pumping Services and its customers. The self-declarations will be presented to the customer either within the contract or within the terms and conditions. If the self-declarations are part of the written contract, they shall be deemed as accepted from the effective date of the contract. If the self-declarations are included in the terms and conditions, they shall be deemed as accepted if the customer does not explain his or her objection to SOS Pumping Services within 14 days after the terms and conditions have been presented to him or her. If the customer does not object, this will be considered as an agreement to the terms and conditions. The self-declarations will be deemed as accepted after the 14 days have passed.

**Self-declaration on wastes or residues for biofuel production according to the Directive
2009/28/EC**

Point of origin: _____
 Street address: _____
 Postcode, location: _____
 Country: United States of America
 Recipient: SOS Pumping Services

(Please tick the applicable boxes)

1.	<input checked="" type="checkbox"/>	The wastes or residues supplied consist only of biomass defined as the biodegradable fraction of products, waste and residues from biological origin from agriculture (including vegetal and animal substances), forestry and related industries including fisheries and aquaculture, as well as the biodegradable fraction of industrial and municipal waste.
2.	<input type="checkbox"/>	The wastes or residues supplied originate from agriculture, forestry, fisheries or aquacultures (tick the box for straw, for example, but not for crude glycerine or used cooking oil).
	<input type="checkbox"/>	If previous box ticked (e.g. for straw): The wastes or residues fulfill the land related sustainability requirements laid down in Art. 17 (3) to (6) of the Directive 2009/28/EC.
3.		The delivery consists of the following wastes or residues*: <u>Brown grease / grease trap fat</u> _____ _____ List each waste or residue delivered. Identify each clearly, and give the waste codes (if applicable) according to the relevant national waste ordinance - if you are entitled to do so. In the case of animal by-products, the categories the waste belongs to must be stated in accordance with Regulation (EC) No. 1774/2002 and No. 1069/2009.
4.	<input checked="" type="checkbox"/>	Applicable regulations for marking and transport, including commercial documents, are met. If veterinary certificates exist, these are to be kept together with the commercial documents.
5.	<input checked="" type="checkbox"/>	The respective waste or residue is not mixed with biomass/waste of a different origin.
6.	<input checked="" type="checkbox"/>	Documentation of quantities delivered is available.

Note: In signing this self-declaration, the signatory acknowledges that auditors from certification bodies, staff of certification schemes and inspectors from national bodies (if applicable) can examine whether the requirements are met as stated in this self-declaration.
